The Physical Development Needs of Young Children

Edited by **Rebecca Duncombe**, Loughborough University, UK

With growing concerns over declining levels of school readiness and physical activity, this book outlines the importance of quality early movement experiences and explores the connection between poor early physical development opportunities and later difficulties in the classroom. *Young Children's Physical Development Needs in Early Childhood* is important reading for all who work with or care for young children, including early years practitioners, primary school teachers, students who are studying to join these professions and parents.
